Project uses 1 piece

Adjustable Bezel Ring, Round 20.5mm, 4 Pieces, Antiqued Brass

SKU: FRG-1001

Project uses 1 piece

Antiqued Brass Small Four-Leaf Clover Charm With Ring - 10.5mm (6)

SKU: PND-6043

Project uses 3 pieces

Recommended Tools:

[XTL-2222] Vintaj Metal Relief Block For Filing, Buffing & Sanding, [XTL-5600] Xuron Sharp

Flush Cutter Pliers - Wire/Soft Flex

Instructions

1. Using your flush cutters, snip off the jump rings and loops from 3 antiqued brass clover charms.
2. Use your Vintaj relief block to buff the tops of the charms to show off more detail.
3. Next, watch the video on How to Use Crystal Clay.
4. Following what you learned in the video, put on your gloves and make a small gum ball sized amount of green Crystal Clay.
5. Embed the clay carefully into your bezel ring, remembering to leave room for the glass dome. If any clay gets pushed out from the side scallops of the ring, simply remove using your fingers.
6. Next, carefully embed green seed beads around the charms into the clay.

7. Lastly, enclose the ring bezel using your glass half dome. Press into the clay. As the clay dries, it will attach both components together.

8. You're done!
