

# Mood Ring

## Project R608

Designer: Julie Bean

This ring is oh so groovy! The mood bead changes colors based upon the temperature and the thought is, as your moods change, your temperature changes and thus the mood ring can tell your 'moods'. Great ring to have a lot of fun with. You'll be able to make two with this kit—give one to a friend!

## Instructions

1. This ring is so simple and fun to make, you will want to make one for all your friends.
2. Begin by first determining your ring size. If you are unsure, please watch this video here or you can always to a jewelry store and they will size your finger for you.
3. Once you know your ring size, cut approximately 15 inches of 20 gauge orchid purple artistic wire. Thread your mood bead onto the wire and position it in the middle.
4. From this point on, follow the step by step instructions in the video: How To Make A Wire Wrapped Bead Ring.
5. After watching this video and following along, your ring should be done. YAY!
