## Instructions

These materials will make an 18 inch necklace. For a longer or shorter necklace, you can purchase a finished chain necklace of a different length.

1. To make the necklace: Using pliers, open a jump ring. Slide it through the loop at the top of your large oval mother-of-pearl pendant, and also slide it onto your gold filled finished chain necklace. Close the jump ring.
2. To make the earrings: Take one gold filled earring hook and open the loop at the bottom with flat nose pliers the same way you would open a jump ring. Slide on the loop at the top of one small round mother-of-pearl pendant. Close the loop of the earring finding.
3. Repeat step 2 to make the second earring, and enjoy!
